Slumberland. The Most Comfortable Place In The World

NEW

SLUMBERLAND TempSmart II

World's 1st Temperature-Regulating Mattress With Horse Hair

Horse hair. Regulates temperature naturally with added luxury.

Slumberland TempSmart II mattress is now even better thanks to natural horse hair. This feature regulates body temperature and dissipates moisture so you can achieve utmost sleeping comfort. And together with the existing NASA-inspired MicroTemperature Control that maintains optimum body temperature through consistent air circulation, you'll be sleeping comfortably every night.

Back care begins with Vono

Now, the new Vono mattress is Anti-Bacterial too.

The new Vono Back Relaxer Mattress gives you more than just the perfect care for your back. With the silky soft natural bamboo yarn fabric that has been sanitised to **prevent mould and fungus, it is anti-bacterial, anti-odour and 100% environmentally friendly.** Thus, you can be assured that common allergens and unpleasant odours are greatly reduced.

Together with the revolutionary Intalok Springing System with 2 times more springs than ordinary mattresses, you'll have a restful and healthy sleep anytime.
